Darius J. Reese

ATLANTA, GA

Darius Reese's practice focuses on workers' compensation in the firm's Atlanta office. "I believe in being over-prepared for any situation, he says. With this in mind, I often take the extra initiative to anticipate my client's individual needs." Prior to joining MGC, Darius was a judicial staff attorney at the Fulton County Juvenile Court. He also tried criminal cases before the Fulton County State and Superior Court as an assistant public defender in the Atlanta Judicial Circuit. Darius also practiced as a bankruptcy attorney in Atlanta.

Outside of MGC, Darius enjoys traveling, running, concerts and exploring the city with friends and family.
