

# Logan A. Brown

ATLANTA, GA

---

Logan Brown's practice focuses on premises liability, motor vehicle litigation and general litigation from the firm's Atlanta office. Logan joined MGC in 2025, bringing his experience in both insurance defense matters, as well as personal injury. He represents insureds and/or their insurance carriers and self-insured companies and organizations.

"I communicate with clients promptly and effectively so they always know what's going on in any given case or investigation and how any recent developments are being addressed," says Logan.

Personally, Logan loves playing golf, running, hiking and cooking. He and his fiancé have two dogs, Ubbe and Murphy. He's a longtime Green Bay Packers fan, as well as the Atlanta Braves and the South Carolina Gamecocks.
