Whitney has also been named in The Best Lawyers in America® for his Insurance Law practice since 2022.

To compile their Top Lawyers list, *Boston Magazine*, in partnership with DataJoe Research, invited lawyers representing their readership area to nominate up to three of their peers in a select number of law specialties via an online survey. The top vote-getters in each specialty were then reviewed by an advisory board of select lawyers, chosen for their credentials and the high number of votes they received.
